Down Payment Agreement

Down payments are required for clients boarding animals at our facility, clients who have not given 72 hours notice before canceling a previous appointment or for those who missed an appointment entirely. Down payments are non-refundable. Their purpose is to secure your pet's reservation for boarding, daycare or grooming, and is a commitment from you, the client, for use of our services. Your pet does not have a confirmed reservation until this form is signed and the down payment is made. The amount of the down payment is based on the situations indicated above, and can be as little as \$50 up to the full amount due for the services scheduled. The amount of the down payment is indicated below along with the dates of service. Your signature below indicates that you agree to these terms.
